## Object pronouns

### Personal pronouns (pronomi personali)

| Subject pronouns (pronomi soggetto) | Object pronouns (pronomi complemento) |
|-------------------------------------|---------------------------------------|
| I                                   | Me                                    |
| You                                 | You                                   |
| He                                  | Him                                   |
| She                                 | Her                                   |
| It                                  | It                                    |
| We                                  | Us                                    |
| You                                 | You                                   |
| They                                | Them                                  |

I pronomi personali soggetto precedono il verbo:

I love = **io** amo

mentre i pronomi personali complemento seguono il verbo:

I love **them** = io amo **loro**

La forma indiretta del complemento è preceduta da una preposizione:

Talk **to him** = parla **con lui**

This present is **for me** = questo regalo è **per me**

Play **with her** = gioca **con lei**
